FURNITURE FOR HOTELS RESTAURANTS AND CAFETERIAS

EVRIPIDOU

who we are

S.EVRIPIDOU GROUP was established in 1974, in Limassol Cyprus as skilled joinery specializing in custom made kitchens, furniture and woodwork interiors for big scale projects such as offices and residential complexes.

After four decades, the company gained important expertise, while perfecting its technical and managerial skills.

This remarkable course, gave S.EVRIPIDOU GROUP the opportunity to participate in the biggest and most well-known projects in Cyprus, hence expanding its gamut of services and products.

Today, it is considered as a leader in its field offering the most complete range of services in the market.

what we do

S.EVRIPIDOU GROUP
is composed of 3 different divisions

CONTRACT

One of the leading providers of contract furniture to the leisure, hospitality and developers industry

WOODWORK

One of the most innovative and biggest joineries for producing custom-made furniture and woodwork interiors.

SOLUTIONS

The provider of products and turn-key solutions to hotels.

S.EVRIPIDOU GROUP has the know-how and experienced personnel that can successfully respond to any project, of any scale. To respond to the deadlines set and to satisfy any budget. To guarantee a high quality outcome and excellent after-sales service to all of its clientele.

CONTRACT

what we do

For more than a decade, EVRIPIDOU CONTRACT, has become one of the leading providers for contract furniture to hotels, restaurants, residences, bars and cafeterias.

The division's expertise and technical knowledge permits the effortless and coherent collaboration with architects and decorators, an important advantage, that guarantees the successful completion of indoor and outdoor spaces.

EVRIPIDOU CONTRACT represents the most well-known furniture brands, while simultaneously offering design services and producing furniture that are made-to-measure, according to the client's needs.

From research to design and from production to project management, EVRIPIDOU CONTRACT can handle the most challenging projects and to perform them with perfect technique and design
